Rules

The Missouri Hunter Jumper Organization defers to standard and accepted national rules pertaining to the classification, conduct, and operation of competitions and to general matters affecting exhibitors, judges, stewards, and competition officials. For reference, contact United States Equestrian (www.usef.org) or the United States Hunter Jumper Association (www.ushja.org).

Part I: Affiliation

Section 1. MOHJO is an Affiliate member of the United States Hunter Jumper Association.

Part II: Officers and Directors

Section 1. Officers and directors are posted on the organization's website, www.mohjo.org.

Part III: Nomination of Horses

Section 1. A horse or pony is eligible for MOHJO's annual point system awards if the owner (the party who submits the nomination) is a current MOHJO member in good standing and has paid the nomination fee for the horse or pony in question.

Section 2. Horses, ponies, and riders must compete in a given division in at least two separate MOHJO-sanctioned shows over the course of a show year to be eligible for year-end awards.

Section 3. Horses or ponies nominated after February 1 of the current show season will receive points from the date of nomination only. Horses or ponies nominated between December 1 and January 31 will receive points retroactively to December 1.

Section 4. In the event that a nominated horse or pony changes ownership during the current show season, the horse's accumulated points will be credited to the new owner, provided that the new owner is a MOHJO member in good standing or joins the organization. If the new owner is not a member, is a member but is not in good standing, or does not join, the points will remain with the seller.

Section 5. Any change in the ownership or name of a nominated horse or pony must be submitted in writing to the MOHJO Membership Secretary.

Section 6. Nominations are not transferable from one horse or pony to another.

Part IV: Member Shows

Show managers are advised to submit their show applications and pay membership fees as early as possible to secure show dates and to benefit from publication of dates on MOHJO's website, www.mohjo.org.

Section 1. Horse show membership is open to shows held in the United States.

Section 2. Under no circumstances will a show be granted membership after the competition has been held.

Section 3. When more than one show is held in a competition year by the same management under the same name, each show is considered a separate entity.

Section 4. Show Dates

- To apply for a show date from the current competition year for the next show year, the MOHJO Horse Show Secretary must receive the show management's application by November 1 of the current competition year.
- MOHJO does **not** follow the USEF competition calendar, i.e. we do not specify dates as "weeks", such as "week 17". Show Managers must specify specific dates in their request, such as November 19-20 or July 7-11.
- To be included in the Initial Competition calendar, requests for show dates for a new competition year must be submitted either A. online to the MOHJO show secretary on or before November 1st of the current competition year, or B. on a printed show membership form postmarked no later than November 1, along with the show membership fees.
- Effective for the 2022 competition year, fees for MOHJO show membership will be \$50 per show, and no discounts will be given. Once a date has been awarded, requests to change the date will incur an additional fee of \$100.
- Requests for dates received after November 1 will be considered after all the dates requested for the Initial Competition calendar have been awarded.
- All requests are subject to a vote of the Board of Directors. Show managers will be notified of successful requests and the initial competition calendar will be posted to the MOHJO website by December 1st.

- Requests for dates made subsequent to the posting of the Initial competition calendar will be considered by the Board and awarded as space in the calendar permits. The initial membership fee of \$50 will apply.
- Show managers may appeal the decision of the Board with regard to the dates of the shows they manage, and may not contest the awarding of dates to other shows, by submitting a written request to the President of the Board of Directors. Appeals should include a brief statement of support for changing a date. Any unsportsmanlike conduct revealed in the written request, including but not limited to verbal abuse, explicit or implicit threats, toward the MOHJO Board, any MOHJO member or member show, may lead to the show's dates being forfeit in the following show year and the show will have to reapply for dates.

Section 5. Two local horse shows being held on the same day(s) in the MOHJO recognized area of Missouri/Metro East Illinois may not both be recognized by MOHJO unless they are to take place more than 50 miles apart. In the event of a conflict, the show whose application and payment are received first by the MOHJO Horse Show Secretary will be given priority. If the two shows' applications and payments are received by the MOHJO Horse Show Secretary on the same date, the show that has held the date previously will be given priority.

Section 6. A member show must notify all MOHJO members of the event by posting the prize list online or by mailing or emailing it, using the mailing labels and/or electronic mailing list provided by the MOHJO Horse Show Secretary, to members more than 30 days before the show. If it is determined by the Board of Directors that a good-faith effort has not been made by a show's management to provide all MOHJO members with reasonable advance notice of the event, no points will be awarded.

Section 7. A horse show's prize list must state that the show is recognized by MOHJO. If this information is not included in the prize list, MOHJO will not award points to the show's exhibitors.

Section 8. Printed or electronic show results must be received by, or online results made available to, the MOHJO Point Secretary within 10 days of the completion of a member show. Results should include class numbers, the number of entrants in the first over-fences class of a division, and each horse's name, owner's name, rider's name and age, and class placings.

Section 9. The manager of any horse show for which MOHJO affiliation is desired must register the show with the MOHJO Horse Show Secretary and pay the necessary registration fee.

Section 10. All MOHJO-affiliated shows, both schooling and rated, will be

scored equally in the calculation of year-end standings. Double points are not to be awarded at any show.

Part V: Conduct of Member Shows

Section 1. Failure to submit show results (either printed or electronic and accompanied by a prize list and/or premium list) or failure to post results online within 10 days of the completion of a show will result in the denial of points for that show. Shows that do not comply with this rule may become ineligible for subsequent MOHJO recognition.

Section 2. A competitor who fails to satisfy a debt at a MOHJO-recognized show or who has a check returned for insufficient funds will receive a written notice from MOHJO stating that the competitor has 10 days to satisfy the debt by submitting cash, a money order, or a cashier's check, payable to MOHJO, to the MOHJO Horse Show Secretary. If, after 10 days, the debt remains unsatisfied, MOHJO will (1) ban the competitor from MOHJO-recognized shows until the debt is paid and (2) inform the managers and secretaries of all MOHJO-sanctioned shows that, under MOHJO rules, they are not to accept the competitor's entries until full payment has been made.

Section 3. In the event that a show is canceled, the MOHJO Horse Show Secretary must be notified as far in advance as possible. If said notification is not received, all of that show's dates may be forfeit in the following show year and the show will have to reapply for dates.

Section 4. Participation in any MOHJO-affiliated show assumes the participant agrees with the following statement:

I am voluntarily participating as a member of the Missouri Hunter Jumper Organization ("MOHJO") and I am participating in the organization and any ancillary activities related thereto, entirely at my own risk. Accordingly, I agree to indemnify, defend, and hold harmless MOHJO and all of its affiliates, managers, members, agents, attorneys, staff, volunteers, representatives, predecessors, successors, and assigns and further releases them from liability for any and all claims or causes of action for accident, injury, property damage or otherwise to the undersigned or to any property or any horse owned by the undersigned or to any family member or spectator accompanying the undersigned to any MOHJO-sanctioned activity. I agree to voluntarily give up or waive any right that I otherwise have to bring a legal action against MOHJO.

Part VI: Protests

Section 1. Protests involving interpretation of MOHJO's rules will be accepted by the Board of Directors if accompanied by a written charge providing a complete and detailed description of the event in question, signed by the show secretary and the member protesting and accompanied by their names and addresses. The protest must be filed with the MOHJO Horse Show Secretary. In the event that a protest is sustained and an entry is disqualified, the entry standing next in award status shall be moved up.

Section 2. A judge's decision, representing his or her individual preference, is not open to protest unless it is alleged to be in violation of MOHJO rules.

Section 3. A protest at a USE-recognized show that is sustained, causing the entry standing next in award status to be moved up, should be brought to the attention of the MOHJO Points Secretary so the points can be adjusted accordingly.

Section 4. Any unsportsmanlike conduct revealed in the written request, including but not limited to verbal abuse, explicit or implicit threats, toward the MOHJO Board, any MOHJO member or member show, will result in automatic denial of the protest.

Part VII: Violations and Penalties

Section 1. MOHJO defers to and supports the definitions, violations and penalties set forth by the national governing bodies of the sport.

Part VIII: Judges

Section 1. A judge may not adjudicate at any show in which a member of his or her family, a client of the judge or a member of the judge's family, or any of the judge's horses is competing.

Section 2. No horse may be shown before a judge after having been sold or leased by said judge in the 30 days preceding the show.

Section 3. No horse may be shown before a judge who has received or contracted to receive remuneration for the sale, purchase, or lease of any horse to or from, or for the account of, the exhibitor in the 30 days preceding the show unless the transaction was made at public auction.

Section 4. No exhibitor may show before a judge who boards, rides, or trains (for horse show purposes) any horse under the exhibitor's ownership or lease in the three months preceding the show. (Stud fees are excluded.)

Section 5. No exhibitor may show before a judge who has remunerated the exhibitor for the board or training of any horse for horse show purposes in the 30 days preceding the show. (Stud fees are excluded.)

Section 6. No rider may compete in an Equitation class before a judge with whom the rider's parents, guardian, or instructor has had any financial transaction in connection with the instruction, sale, lease, board, or training of a horse in the 30 days preceding the show unless the sale or purchase is made at public auction.

Part IX: Point System and Year-End Awards

MOHJO Point System		
Placing	Points	
	Three or more in class	Two or less in class
First	10	5
Second	6	3
Third	4	
Fourth	2	
Fifth	1	
Sixth	.5	
<ul style="list-style-type: none">• If any class in the division has 15 or more exhibitors, five bonus points will be awarded to each placing, first through sixth.• If a class is double-pinned, bonus points will not be awarded unless the number of exhibitors in each class split warrants it.		

Section 1. Only current MOHJO members in good standing and nominated horses are eligible for year-end awards.

Section 2. A year-end awards party will be held for the purpose of presenting awards to those horses and Equitation riders who earn the six highest standings in each MOHJO-recognized division for the just-ended competition year. Standings are based on the number of points accrued for the competition year in each division.

Section 3. To be eligible for a division's year-end award, a horse or equitation rider must have placed first, second, third, fourth, fifth, or sixth in that division in at least two shows during that show year.

Section 4. Year-end award ribbons will be presented for first through sixth place, with ties counted as one place — for example, first, second, third (tie), third (tie), fourth, fifth, and sixth.

Section 5. Divisions may be split or combined for year-end awards, if entries warrant, at the discretion of the Board of Directors. Consult the class specifications set forth in this rule book.

Section 6. Points will not count for any class whose description is worded improperly on the prize list. (If the class title on the prize list is worded with the obvious intent of complying with MOHJO specifications, the class shall count for points.) The prize list that has been mailed to and received by exhibitors before the show shall be the prize list recognized for point tabulation. If a change such as added classes is made with MOHJO approval, these classes will count for points.

Section 7. In the event that a nominated horse changes ownership during the current show season, please notify the MOHJO Points Secretary to have points transferred and contact the MOHJO Membership Secretary to ensure that the change is recorded.

Section 8. Eligibility for Beginner and Limit divisions is determined by the exhibitor's status as of December 1 of the new show year. Exhibitors may finish the competition year after "winning out."

Section 9. The Point Secretary will make every effort to calculate standings accurately, but neither the Secretary nor the organization shall be liable for the failure of any member horse show to file results or for errors or omissions in the filing thereof. Nor will the Secretary or organization be held responsible beyond the point of accuracy in computing the final standings from the results submitted by the proper authorities of each show.

Section 10. Exhibitors whose points are important to them are strongly advised to consult the MOHJO website over the course of the competition year to ensure accuracy of standings or submit a record of each horse's or rider's placings to the MOHJO Point Secretary before November 1 of the competition year for comparison to official MOHJO records.

Part X: Special Awards

Section 1. The following awards are presented at the year-end awards party:

- a. **High-Point Hunter** is awarded to the horse or pony that has accumulated the most points in all MOHJO-recognized Hunter divisions during the competition year. Points for the horse, not the rider, are counted. All divisions in which the horse or pony is eligible count toward the award, with the exception of Crossrail Hunter.
- b. **High-Point Jumper** is awarded to the horse or pony that has accumulated the most points in all MOHJO-recognized Jumper divisions during the competition year. Points for the horse, not the rider, are counted. All divisions in which the horse or pony is eligible count toward the award.
- c. **High-Point Equitation** is awarded to the Junior or Amateur Adult rider who accumulates the most points in all MOHJO-recognized Equitation classes during the competition year. Points for the rider, not the horse, are counted. All divisions in which the rider is eligible, with the exception of Crossrail Equitation, count toward the award.
- d. **MOHJO Sportsmanship Awards**—one Amateur, one Junior, and one Professional—may be nominated by the MOHJO Board of Directors and announced at the year-end awards party. Nominees must be current members of MOHJO in good standing and possess the following qualifications: honesty, integrity, good sportsmanship, involvement in local hunter/jumper activities, service to the horse community (Juniors only), and academic achievement (Juniors only). Each of the three nominations may or may not be made each year.

Part XI: Class Specifications

Section 1. For Hunters, at least 50 percent of the obstacles in a class must be the required height, and none may be more than 2” over or under.

Section 2. A Jumper may be a horse or pony of any breed or height and of either sex. Unless otherwise specified, Jumper classes are open to all riders, regardless of age or professional status.

Section 3. A Junior exhibitor is an individual who has not reached his or her 18th birthday by December 1 of the current show year.

Section 4. An Adult exhibitor is an individual who is no longer eligible to compete as a Junior.

Section 5. Entering a class hors de concours (riding without competing for prizes) is allowed at the discretion of show management.

Hunters

Performance Working Hunter is open to any horse or rider, regardless of age or showing experience, although the horse must be nominated to be eligible for a year-end award. Two sections, based on height, will be offered as entries warrant.

Fence height: 3’3” or 3’6”

Green Hunter is open to horses of any age in their first or second year of showing in any classes over fences 3’ or higher, including Equitation classes, at any USE- or MOHJO-recognized show.

Amateur Adult Hunter is open to any horse or pony ridden by an Amateur Adult exhibitor. The rider/horse (or pony) combination may not compete at the same show over fences in any class (except Equitation) in which fence heights exceed 3'5". The rider may compete on a different horse or pony at the same show in any other division or section for which that rider/horse (or pony) combination is eligible. The horse or pony may be shown by a different rider in any other division or section at the same show except Amateur Owner Hunter. Courses will not be adjusted for ponies.

The same rider/horse (or pony) combination may not compete at the same show in any class (Equitation excepted) in which fence height exceeds 3'5". The rider may compete on a different horse or pony at the same show in any other division or section for which that rider/horse (or pony) combination is eligible. Horses and ponies entered in the Children's Hunter division may not cross-enter the Junior Hunter, Pony Hunter, Low Child/Adult Hunter or Novice Children's Hunter division at the same show. Courses will not be adjusted for ponies. If entries warrant, the division may be split by age for year-end awards.

Intermediate Child/Adult is open to any Junior or Amateur Adult exhibitor. The horse/rider combination may not cross-enter any division higher than 2'6" at the same show. Competing in this division will cause loss of eligibility in Short Stirrup divisions.

Fence height: 2'6" and 2'9"

Fence height: 2'6" and 2'9"

Fence height: maximum of 18"

Short Stirrup Hunter is open to any horse or pony, of any age or show experience, ridden by a Junior exhibitor who has not reached his or her 12th birthday by December 1 of the current show year. Riders may not have shown over fences higher than 2', with the exception of 11-and-Under Equitation over fences. The rule applies to Short Stirrup Hunter and Short Stirrup Equitation classes; competing in the Intermediate Child/Adult Hunter will result in loss of eligibility in these divisions. The suggested course consists of eight fences with no combinations. *Fence height: 18" to 2'*

Long Stirrup Hunter is open to any horse or pony ridden by a Junior exhibitor age 12 or older on December 1 of the current show year or by an Amateur. Riders may not cross-enter any division with fences higher than 2' at the same show. *Fence height: 2'*

Riders may finish the competition year after "winning out." (Equitation classes are included.) Ribbons won in Short Stirrup do not affect the rider's eligibility for this division. Riders may cross-enter 2'6" classes at the same show but may not show as a Beginner after competing in classes in which fence height is 3' or higher. If entries warrant, this division may be split by age (Child and Adult) for year-end awards. *Fence height: 2"*

Limit Rider Hunter is open to any horse or pony ridden by a Junior or Amateur Adult exhibitor who has not won six blue ribbons over fences at any recognized show before December 1 of the current show year. Riders may cross-enter 2'6" classes at the same show but may not show in Limit classes after competing in classes in which fence height is 3'6" or higher. If entries warrant, the division may be split by age (Child/Adult) for year-end awards. If no Limit division is offered at a show but a division with a corresponding fence height and class description is offered, any points earned by the exhibitor will count toward his or her total Limit points for the calculation of year-end awards. *Fence height: 2'6"*

The MOHJO Hunter Derby is open to any MOHJO member horse or pony.

“MOHJO Hunter Derby” must be the name of the class for points to count. Ribbons must be awarded for first through eighth place. There is no limit to the number of horses a rider may ride in the class. Horses and riders competing in this class may cross-enter any other division of the same show for which they are eligible. Formal turnout and attire are encouraged for horse and rider, respectively. Year-end ribbons and prizes will be awarded.

Course requirements: Three fence heights (2’6”, 3’, and 3’5”) will be offered and judged as one class. The course must offer a variety of classic jumps simulating obstacles found in the hunt field: natural post-and-rail, stone wall, white board fence or gate, coop, aiken, hedge, oxer, brush, logs, and other natural foliage. Natural obstacles such as banks and ditches are permitted. The jumpable portion of any fence must be at least 8’ on its front face, and a 2” difference is required for the back element of every oxer. For appropriate jumps, no ground line is required. Flat cups may only be used for log fences. Accommodations for pony strides must be made by the show manager on request.

Classic Hunter Round (Round 1): This round must consist of at least eight obstacles and is to be judged on hunter style, quality, movement, and brilliance. A maximum of 10 bonus points may be awarded to each horse/rider combination, with one additional point awarded for each higher option fence jumped. The bonus score must be announced separately and added to the Round 1 score.

Handy Hunter Round (Round 2): The handy round must consist of eight to 10 obstacles and is to be judged on hunter style, quality, movement, and brilliance. The course should include at least two of the following options: tight turns, different tracks, clever options for jump approaches, hand galloping a jump, trotting an obstacle not to exceed 2’6” in height, halting and/or backing, and at least two higher option fences. A maximum of 10 bonus points may be awarded to each horse/rider combination for handiness of round and brilliance of pace, with one additional point awarded for each higher option fence jumped. The bonus score must be announced separately and added to the Round 2 score.

The MOHJO Mini Hunter Derby is run under the same specifications as the MOHJO Hunter Derby. Year-end ribbons and prizes will be awarded. Exhibitors may not cross-enter any division with fences higher than 2’3” at the same show. Any rider showing over 2’3” in any show in a show season will result in loss of eligibility for the Mini Derby for the remainder of the season. At least three riders must complete the course for points to count. *All riders must return for the flat phase.* The top four scoring riders from the first two phases *must* return for a test to determine final placings. The test will be designed by the judge. All classes are to be judged in accordance with USE rules. Year-end ribbons and prizes will be awarded.

The USHJA Pony Mini Medal, based on our affiliation with USHJA, is part of that organization's outreach program. No year-end ribbons or prizes will be awarded by MOHJO, however, points will be tracked and accumulated throughout the season, and USHJA will award the high point/champion at the end of the year. MOHJO members can only compete for the USHJA high point if they are also full or outreach members of USHJA.

The class is open to riders who have not reached their 18th birthday by December 1 of the current show year and who have never shown over fences higher than 2'6". Riders may not cross-enter any other medal class at the same show. *Fence height:* Small/medium 2'; Large, 2' 6".

Since 2002 our organization has adhered to the principles and rules of the national governing bodies of our sport. We represent more than 200 riders and nearly 250 horses each year. Jump on board and let your MOHJO start working for you!
